

Dominique ESTAMPE

Professor

Director of MS & MSc in Supply Management (ISLI)

Pole : Decision making and Value Chains

Phone : +33 (0)5.56.84.55.34

eMail : dominique.estampe@bem.edu

CURRENT TEACHING SCOPE

- Supply Chain Management
- Reengineering of Supply Chain process
- Methodology of design decision process

EDUCATION

- Engineer Diploma in Electronic and Information Technologies, ENSEIRB (Ecole Nationale Supérieure d'Electronique, Informatique et de Radioélectricité de Bordeaux), France, 1979

AWARDS

- Logistique & Management
- Editor in Chief - French Refereed Journal Publication, 1994 ? Present

- Supply Chain Forum: An international journal
- Editor in Chief - English Refereed Journal Publication, 2000-presentweb site <http://www.supplychain-forum.com>

- Les Techniques de l'Ingénieur - Paris
- Editor Section Logistics Management 1997-present
- Web site: <http://www.techniques-ingenieur.fr>

- Revue Gestion - HEC Montréal
- Reviewer 2000-present

RESEARCH FIELD(S)

- Supply Chain Management
- Reengineering of Supply Chain process
- Methodology of design decision process
